Schedule for the day

8:30—Optional—participants are invited to begin the day with a prayer presentation in the Bluff's Chapel by the 10th tee

9:00 to Noon—McGehee Business Suite #46 in the Lodge

-Adhesive/cosmetic technique presentation with hands on participation .

Noon to 1:00—The Clubhouse overlooking the Bluffs

-Lunch (Included in the registration fee)

1:00 to 4:00—Continued adhesive/cosmetic technique presentation with hands on participation concluding with clinical photography implementation.

4:00 to 5:00— The day concludes with strategies and discussions to implement the techniques into a joyful stress free dental day including fees, scheduling, and a practice style that supports clinical excellence.

Seminar presenter: Bruce J. LeBlanc, DDS

Dr. LeBlanc is a product consultant to dental manufacturers, lectures nationally and has published internationally on adhesive/cosmetic dental techniques. He is course director and presenter at LSU School of Dentistry for "Posterior Esthetic Restorations."

Additionally, Dr. LeBlanc is co founder of the Men of Manresa businessmen's prayer group in Baton Rouge and is a facilitator for Ignatian Spiritual Retreats.

This unique personalized seminar in a retreat atmosphere creates opportunities for attendees to increase their knowledge and confidence in using adhesive cosmetic techniques and materials. The full day experience concludes with creating a great day every day in the dental practice.
